#### **4.10 25/00515/PA 29 The Avenue, Aylesford South**

The TPO covers the row of beech trees within several properties on The Avenue. Our garden (18 Orchard Avenue, ME20 7LY) backs on to these gardens and the trees are just on the boundary. We would like to complete the work for the trees to be cut back in line with our property boundary.

The trees have grown significantly over the boundary (by 4-5 meters in places) and are causing a concern for the 3 outbuildings beneath. Plus, there is a huge amount of

sap produced by the trees which falls on to our patio leaving a sticky residue on the floor and all over our patio furniture.

Standing in Group G1 of Tree Preservation Order
