Blue Bell Hill Neighbourhood Watch Scheme - is a community initiative that is supported by the police but is owned and run by its members.

We aim to help people protect themselves and their properties and to reduce the anxieties of becoming a victim of crime by means of :

1) improved home security,

2) greater vigilance,

3) accurate reporting of suspicious incidents to the police

4) fostering a community spirit.

Please be vigilant and report suspicious characters or incidents to the police and your Street co-ordinator – see the list below.

Co-ordinators will cascade any information from the Police or neighbours to members and encourage best practice in home security.

Co-ordinators also keep a check on vulnerable residents and provide advice to members about dealing with callers at the door.
